

Speaker requirements

AUDIOVISUAL:

Please have the following requirements in place before Gabrielle Pimstone speaks so that she can have maximum impact. If the group is more than 30 people Gabrielle will use a microphone (preferably a head microphone or lapel mic, which is her preferred method). Otherwise, Gabrielle will require a cordless microphone or a handheld microphone with a cord at least 7 meters in length. Please also provide a microphone stand.

SEATING ARRANGEMENTS:

Please sit audience directly in front of Gabrielle in theatre style, ideally with no seating behind to or the side of Gabrielle.

DATA PROJECTOR WITH SOUND:

Gabrielle will be bringing a USB and would prefer to plug it into a laptop. Alternatively, she will have her laptop with her that can be plugged into a data projector if required.

FLIPCHARTS & WHITEBOARD:

Please provide two flipcharts or a whiteboard, and two new markers – one black and one blue.

STAGE:

If using an auditorium, Gabrielle prefers the room dimly lit with a lectern or small table on the stage.

ROOM TEMPERATURE:

Gabrielle prefers the room to be mild, around 20 degrees Celcius.

WATER:

Please provide Gabrielle with water.
