

## Master Change, Unlock your Potential

[gabrielle@generativehs.com](mailto:gabrielle@generativehs.com)

Some of the companies Gabrielle has worked with...

Johnson & Johnson

SUNCORP

The Royal Australasian  
College of Physicians

Investec

With **30 years' experience** in organisational change, Gabrielle stands out as a seasoned speaker, corporate facilitator, trainer, and coach on the topic of transformation.

Since 1994, Gabrielle has taught thousands of leaders and employees around the world how to **navigate, lead, and thrive through change**. She has coached leaders and teams and facilitated change for Fortune 100 companies like Microsoft and Verizon Communications.

Her vast experience and insight as a facilitator help participants explore the complexities of human behaviour during change in a relatable, empowering, and practical way.

Her ability to connect with audiences and address the real, raw challenges of change makes her sessions not just informative but transformative.

Known for her engaging and no-nonsense style, she keeps audiences actively participating and on their toes.

### Signature Talks and Short Courses

#### 1. From Point B to Point A

How to tackle the blame game and drive change by embracing personal accountability.

#### 2. 28 Days to Change

How to make a quick breakthrough using an immersive change method.

#### 3. Mastering Change Leadership

How to inspire change in every interaction by harnessing authentic presence and understanding the human side of change.

*“Gabrielle is an exceptional change facilitator. She excels at pushing boundaries through thoughtful inquiry, encouraging participants to explore new perspectives. She is skilled at driving meaningful and sustainable cultural transformation.”*

*Gillian Dunn, Head of Strategy & Transformation, RACP*
